PROFESSIONAL PROFILE

Kidswear design professional with 10+ years of experience in fashion design, graphics, prints, technical design and end-to-end product development. Specialized in newborn, infant, toddler, kids and teen boys' and girls' collections, with GCC market exposure and commercial retail experience. Experienced in guiding design teams, translating WGSN and market insights into trend-led ranges, and collaborating with buying, merchandising, sourcing, sampling and production teams.

CORE EXPERTISE

Collection & category design: Newborn, infant, toddler, kids and teens; woven and knitwear; outerwear; seasonal collection and range development.

Technical & product development: CADs, flat sketches, garment construction, tech packs, BOMs, fit reviews, sampling, quality specifications and production follow-up.

Graphics & forecasting: Placement prints, AOP, screen prints, embroidery, applique, embellishments, packaging, WGSN, trend research, colour direction and mood boards.

Leadership & collaboration: Design direction, junior designer mentoring, fabric and trim selection, vendor coordination and cross-functional delivery.

PROFESSIONAL EXPERIENCE

Fashion Designer - Kidswear

Nesto Lifestyle / Western International Group, Sharjah, UAE | Feb 2026 - Present

- Lead and coordinate a small kidswear design team, guiding direction, task allocation and collection timelines.
- Develop seasonal ranges across newborn, infant, toddler, kids and teen boys and girls using WGSN and market research.
- Create concepts, CADs, technical sketches, graphics, prints, colourways, tech packs and specifications.
- Oversee fabrics, trims, embellishments, garment construction, fit, quality and technical approvals.
- Collaborate with buying, merchandising, sourcing, sampling and production through product development.

Fashion Designer - Kidswear

Nesto Lifestyle / Western International Group, Kozhikode, India | Jan 2025 - Feb 2026

- Developed seasonal kidswear collections, trend concepts, CADs, graphics, prints, colourways and range plans.
- Prepared technical sketches, tech packs, fabric and trim directions, and production specifications.
- Coordinated sampling, fit corrections, packaging, print and embroidery artwork, and production follow-up.
- Supported team direction and cross-functional delivery with merchandising, sourcing and production.

Kidswear Design Lead

Kitex Limited, Kochi, India | Dec 2022 - Jan 2024

- Designed infant and toddler ranges, CADs, graphics, prints, embroidery, tech packs and specifications.
- Created graphic and screen-print artwork for programmes including H&M, Carrefour, C&A and M&S.
- Handled trend research, fabric and colour development, sampling, range planning and production follow-up.
- Designed backpacks, travel bags and men's innerwear, including graphics, trims and packaging.

Senior Fashion Designer

Happykid Apparels LLP, Malappuram, India | Jan 2022 - Dec 2022

- Developed kidswear collections, CADs, prints, tech packs, specifications and seasonal concepts.
- Coordinated fabric, trim, colour, sampling, packaging and production development.

Senior Fashion Designer

Popees Babycare Product Pvt. Ltd., Manjeri, India | Apr 2017 - Jan 2022

- Designed babywear, infant and toddler collections, focusing on comfort, fit and commercial trends.
- Created CAD flats, line sheets, tech packs, size charts, BOMs, AOP and embroidery artwork.
- Selected baby-safe fabrics and trims; reviewed sample fits, pattern corrections and production quality.

Visual Merchandiser / Fashion Consultant

Preethi Silks, Malappuram, India | Jun 2016 - Apr 2017

- Developed window and in-store displays, mannequin styling and floor layouts.
- Provided fashion consultations and shared customer feedback with retail teams.
